COSPLAY GUIDE

CIRILLA FIONA ELEN RIANNON

Heir to the throne of Cintra and a child of the Elder Blood, Cirilla — or Ciri for short — has spent much of her life hunted by kings, emperors, and dark forces from other realms, each determined to contain and use her power for their own ends. But Ciri has never been one to submit quietly — raised in part by the witchers of Kaer Morhen and wielding powerful magic that bends time and space, she combines deadly skill with a reckless streak and a fierce kind of courage that makes her a force to be reckoned with.

ZIREAEL

Known as *Zireael* — “Swallow” in the Elder Speech — Ciri’s sword is as swift and deadly as its wielder. Elegant and razor-sharp, the blade favors agility and precision over brute strength, making it perfectly suited to Ciri’s fast and unpredictable fighting style. In battle, sword and wielder move as one — fluid, relentless, and almost impossible to anticipate.
